

Adventures through time

A Family Tree can be used to show people in our family now and in history.

We can recognise special achievements in our own lives and from history.

Kings and Queens are important people now and from the past, including in Great Britain.

Pictures can show what things were like in the past.

Knowledge

- Things around us change as time passes.
- Stories and books can tell us about the past.
- Some people are older than others because they were born at different times.
- We can use language for talking about the past like yesterday, last week, last month, last year.
